Scott Jewers:

The Commission has carefully reviewed your recent correspondence dated August 14, 2024. Unfortunately, we cannot process your complaint for the following reason:

It was initially not clear to us whether your complaint related to an incident within our jurisdiction, however, after a phone discussion with one of our intake officers in which you expressed a desire to be contacted by the newly-assigned public complaint investigator, the Commission contacted the RCMP's National Public Complaint Directorate to request that Sgt. Trevor Allen contact you.

Your file has now been closed.

Kind regards,

The Civilian Review and Complaints Commission for the RCMP
